Thanks for getting this so quickly. So did Kevin add the number to SEMS? Seems like there's a revised process. I think the new process have removed the need for me to go back to SEMS and add the site ID# once it's been requested by you.

Is this the new flow→?

1st) after I add site to SEMS

2nd) I request an ID# in email to Anabel (with SEMS information screen shot as a file attachment)

3rd) Email from you (Anabel) to me and cc's with the site ID# (ID# was added to SEMS by Kevin?)

Thanks
